CHRIS WALLER'S
HEART OF A CHAMPION
California

Camp del Corazon Team Fundraising Contest Win a Meet-and-Greet with Jordyn Wieber

The GymJam Foundation is excited to add some very good-natured competition to the 2019 Heart of a Champion Invitational.

The club attending Chris Waller's Heart of a Champion Competition that raises the most money for Camp del Corazon will win a Meet & Greet with 2012 Olympic Champion, Jordyn Wieber. The Meet & Greet will take place at the competition site in a private setting. The winning team will have the opportunity to take pictures and talk with Jordyn. Chris Waller will host the event.

Statement from Chris Waller:

"Undergoing my first heart surgery at the age of 15, I am deeply committed to helping children with heart disease. Camp del Corazon is a summer camp for children who suffer from heart disease. As a regular guest speaker at Camp del Corazon, I am deeply moved by the life-changing experience that the camp provides its campers. The GymJam Foundation has raised nearly \$50,000 for Camp del Corazon. Last year we raised more than ever - \$5,750. This year our goal is to raise \$10,000! Please join us in giving children a life-changing opportunity they would otherwise not have."

The Rules:

- The team that raises the most money will get to attend the Meet & Greet.
- The deadline to receive a certified check for entry is February 15, 2019. Please make payable and mail to:
