Win an in-gym Workshop with Chris Waller

### Chris Waller

Olympian - Olympic Coach - Former Head Coach, UCLA - Thriver of 4 Heart Surgeries

"I am eager to come to the winning club's gym and provide a custom 3-hour custom workshop for your support of Camp del Corazon!" - Chris

The club attending Chris Waller's Heart of a Champion Invitational that raises the most money for Camp del Corazon will win a 3-hour workshop with Chris Waller in the winning team's gym. **The three hour in-gym workshop** can focus on different topics like Recruiting, Motivational, Parent Workshop, Gym Culture, Technique, or??? In collaboration with Chris, your workshop will be customized for what you want at no charge to your club.

Why it matters?

"When I was 15, I was diagnosed with congenital heart disease and underwent my first open heart surgery. When I learned about Camp del Corazon and had the opportunity to speak to the kids, I was overwhelmed with what I experienced. Cindy and I began our mission to be major supporters because the hope and joy the campers experience at camp changes lives - both for campers and those who get to be a part of it. Our oldest daughter became a nurse because of her experience volunteering at camp." - Chris

Last year we raised over \$30,000. This year our goal is to hit that mark again! Please join us in giving children a life-changing opportunity they would otherwise not have.

*All revenue from this fundraiser will go directly to Camp del Corazon!*
