Next Step:

Have your families post about it on their social media.

Here is a sample e-mail you can send to your families for them to share.

Dear Families,

It's time to get our Heart of a Champion Meet fundraising contest going!

We would love it if you could e-mail family and friends and/or post on social media about it. Here is a sample e-mail/post that you can use.

Family and Friends:

My team will be competing at Chris Waller's Heart of a Champion Invitational at the LA Convention Center, Jan 4-5, 2025. Besides being a highly competitive and fun competition, the event raises money for Camp del Corazon, a camp on Catalina Island for children with heart disease. The competition is hosted by 1992 Olympian and 2004 Olympic Coach, Chris Waller, who has had four heart surgeries, the first one being when he was 15 years old and before he competed at the Olympics.

This event is also having a fundraising competition for all the clubs that are competing at the meet. The club that raises the most money will get to have an in-gym three-hour workshop/clinic. We would love to win one of the prizes and we are even more excited about helping to raise money for Camp del Corazon.

If you can help us meet our fundraising goals, we would greatly appreciate it! Every little bit helps! Make your donations go even further. Check with your employer to see if they will match.

And, if you are in the Los Angeles area the first weekend in January, the event is at the LA Convention Center, South Hall K, and open to the public. Come support and cheer us on!

You may donate here:

<https://givingtuesday.mightycause.com/team/Hoc25> (or insert your club's personal link that you set up).

I kindly ask you to include my name in the dedication field, to help the organizers keep track of how much everyone has contributed to the overall campaign.
