Next Step:

Have your families post about it on their social media.

Here is a sample e-mail you can send to your families for them to share.

Dear Families,

It's time to get our Heart of a Champion Meet fundraising contest going. This year, the top two teams will either win a Meet & Greet with Sophia Campana during Heart of a Champion weekend, or an in-person Chris Waller Clinic at the winning team's gym. We would love it if you could e-mail family and friends and/or post on social media about it. Here is a sample e-mail/post that you can use.

Family and Friends:

My team will be competing at Chris Waller's Heart of a Champion Invitational in Pasadena, CA, February 13-15, 2026. Besides being a highly competitive and fun competition, the event raises money for Camp del Corazon, a camp on Catalina Island for children with heart disease. The competition is hosted by 1992 Olympian and 2004 Olympic Coach, Chris Waller, who has had four heart surgeries, the first one being when he was 15 years old and before he competed at the Olympics.

This year, the event is also having a fundraising competition for all the clubs that are competing at the meet. The top two clubs that raise the most money will get to have a private Meet & Greet with former Italian National Team Member, author and social media queen, Sophia Campanas, or a clinic with 1992 Olympian and 20024 Olympic coach, Chris Waller at the winning team's gym. We would love to win one of the prizes and we are even more excited about helping to raise money for Camp del Corazon.

If you can help us meet our fundraising goals, we would greatly appreciate it! Every little bit helps!

You can donate here:

I kindly ask you to include my name in the dedication field, to help the organizers keep track of how much each individual has contributed to the overall campaign.
